

SILKROAD
WE DELIVER

A b o u t u s

We are delighted to introduce our company **SilkRoad** Trading, a Saudi company that specializes in trading materials from China to Saudi Arabia. Our company is committed to providing high-quality products and services to our clients.

SilkRoad has been in the business of trading materials for over two decades and has established itself as a reliable and trustworthy partner. We have a team of experts who are well-versed in the intricacies of international trade and are dedicated to ensuring that our clients receive the best possible service.

Our products are sourced from some of the most reputable manufacturers in China, and we take great care to ensure that they meet the highest standards of quality.

At **SilkRoad**, we understand that every client has unique needs and requirements. That's why we work closely with our clients to develop customized solutions that meet their specific needs. Our goal is to build long-term relationships with our clients based on trust, reliability, and exceptional service.

UNITRADE
SHANGHAI

WHO IS UNITRADE SHANGHAI

As a sourcing company for all products and materials, we act as an intermediary between manufacturers in China and Thailand and companies and individuals from all over the world.

Since our establishment in the year 2000, our company has rapidly expanded into having representatives all over the world.

OUR MISSION

Our mission is to make customers more profitable by providing high quality products at competitive prices, while offering a seamless process from sourcing to delivery.

OUR COMMITMENTS

Our commitments define who we are, our values and priorities:

- **INTEGRITY:** We believe in honesty with everyone and delivering on our commitments as the foundations of our success.
- **QUALITY:** We aim to provide excellent service and high quality products that adhere to international standards.
- **VARIETY:** We continuously expand our portfolio of suppliers by exploring new frontiers.

OUR TEAM

Our team comprises of qualified, local English speaking sourcing experts, who manage all customer inquiries until delivery. They are familiar with the Chinese culture and language and can easily liaise with Chinese suppliers.

We also have dedicated field staff responsible for visiting factories to supervise quality and quantity before products are certified and for inspecting materials before shipment to ensure we meet our customers' expectations at all times.

OUR SERVICES

Our head office is located in Shanghai China. We have strong relationships with more than 1000 reliable and prominent private and government-owned factories that specialize in providing materials for industries such as: Construction, Ductile Pipes, Chemical, Interior Design, Lighting, Metal, Plastic, Print, Corporate Gifts, Retail, Transportation, Hospitality, Food, Safety & Security and Textile & Leather.

Our extensive experience and frequent dealings with manufacturers enable us to quickly locate the ideal supplier, negotiate pricing according to customer budgets and provide customized products, while maintaining regulatory compliance.

STANDARDS AND CERTIFICATIONS

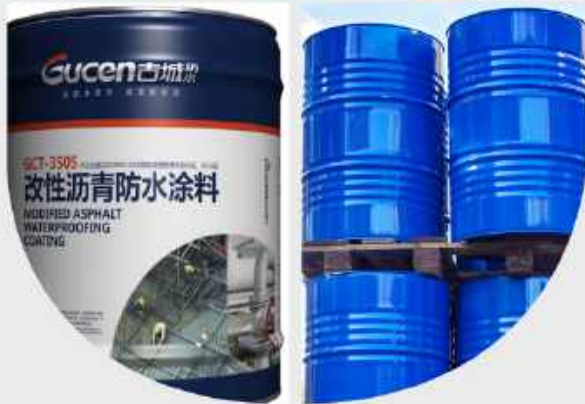

To meet the highest standards of quality, security and safety in our products such as UL, ANSI, CSA or ASTM standards, we provide a third party certification before shipping takes place from either of these companies: Intertek, SGS or Bureau Veritas.
